Case of Central Coast California 2016 Summer Water Rose

This dry rosé reflects the pale pink dream world of our partners, Yes Way Rosé. It's perfectly crisp, lighthearted and destined for a good time. The grapes for this Central Coast Grenache and Syrah blend were picked early in the season to achieve a natural acidity that's ideal for summer drinking. To ensure as little extraction from the skins as possible, we used the direct press method, retaining the delicate fruit aromas and pale color rosé is known for. The result is light, crisp and dry - with notes of strawberry, pink grapefruit and white peach. Drink it chilled with the ones you love. Summer-friendly fare like shellfish, ceviche and salads will pair swimmingly.

***The Marshall Plan: Dawn of the Cold War* signed by author Ben Steil**

The award-winning author of *The Battle of Bretton Woods* reveals the gripping history behind the Marshall Plan—told with verve, insight, and resonance for today. This is a polished and masterly work of historical narrative, this is an instant classic of Cold War literature. Focusing on the critical years 1947 to 1949, Benn Steil's thrilling account brings to life the seminal episodes marking the collapse of postwar US-Soviet relations—the Prague coup, the Berlin blockade, and the division of Germany. *The Marshall Plan* provides critical context to understand Stalin's determination to crush the Marshall Plan and undermine American power in Europe and how it effects today's international landscape.
